

Twp. of Snowdon Considers Liquor Licence

The regular meeting of the Township Council was held with the Reeve and three members of Council present.

The minutes of the last meeting were read; it was moved and seconded by Gerald Hicks and Orie Mintz that they be adopted.

Moved by Gerald Hicks, seconded by Orie Mintz, that the Clerk contact Noble Hague regarding the line fence between Lots 22 and 23, Concession 12.

Moved by Orie Mintz, seconded by Fred Jones, that we donate \$25.00 to the Dysart Community Centre Fund.

Some members of Council have been approached by interested parties within the Township, regarding a vote on liquor licences. It was explained that the Township of Snowdon is wet, and that anyone can apply

for a licence to sell beer and wine, but a vote must be taken before a liquor licence can be granted. Council decided that this could be a good thing for the Township, by encouraging more commercial enterprises.

The Clerk was asked to write to the Liquor Licence Board for full information in time for the next Council meeting.

Moved by Orie Mintz, seconded by Gerald Hicks that the Road Account amounting to \$975.30 be paid; the current bills were also approved for payment.

Moved by Orie Mintz, seconded by Gerald Hicks that this meeting be adjourned until September 10th at 7 p.m.

Township Officials Deny Investigation Being Made Into Monmouth Administration

LINDSAY (ENS) — Monmouth Township officials strenuously denied last Tuesday that the Department of Municipal Affairs is conducting an investigation into alleged misappropriation of public funds.

Assessor Ross Anderson said it was true an auditor is at work undertaking a special audit of the clerk-treasurer's books. "But this is being done because of an annexation brief which is in the process of being filed."

REASON FOR AUDIT

The annexation brief was also cited as reason for the audit by Reeve Garry Agnew.

Mr. Agnew said Harcourt Township Cottagers' Association has petitioned Tory Hill Council to annex the Township. He said Council has tentatively decided to proceed with the annexation brief, "but we will be making a final decision within the next 10 days."

A Haliburton County official has described the annexation report as utter nonsense. He said he has heard talk in the past of Harcourt Township breaking away from Dysart, but added: "I just cannot believe that application has been made to Tory Hill."

The official suggested that the

matter would have to come before Haliburton County Council. "This is not a matter for Tory Hill Council to decide."

ACCEPT PETITION

Lloyd Watson, Tory Hill clerk-treasurer, said Council has agreed to accept the petition submitted by Harcourt residents. He said he had no knowledge of the number of names on the petition. Mr. Watson said he expected an auditor would be called to examine the books, "but I have heard nothing about anyone from the Municipal Affairs Department being called."

Dysart comprises the townships

of Dudley, Harcourt, Guilford, Harburn, Bruton, Havelock, Eyre and Clyde. It was in 1869 that Harcourt was added to Dysart Municipality and five years later the Provisional County of Haliburton was formed by a special act of the provincial government.

Harcourt Township has 162 permanent residents, but this number swells considerably during the summer months. The 1963 township assessment was \$210,045. The township covers an area of 255 square miles and contains approximately 39,044 acres.

Youth Shot In Back Of Hand

LINDSAY (ENS) — Robert Harvey, 17, of 585 Evans Ave., Toronto is in good condition at Haliburton Red Cross Hospital with a gunshot wound to his right hand sustained Saturday in an accidental shooting at Stormy Lake, five miles north of Gooderham.

Provincial Police at Haliburton said Harvey was shot in the back of the right hand by a companion who was practising target shooting near the Harvey cottage.

Police did not identify the other youth.

Harvey had placed a stick in a mound of earth and was retrieving the stick when the accident occurred, police said.

Plans Are Underway For TV Satellite Station At Haliburton

Mr. Jack Mattenley, Operations Manager for CKVR TV and CKBB radio of Barrie, was in Haliburton last Thursday to discuss the possibility of erecting a TV Satellite Station near Haliburton. This new station would be similar to the ones in operation at Huntsville and Parry Sound.

Mr. Mattenley had a talk with Reeve Roy Brohm in the matter of purchasing or leasing property near Haliburton.

The Echo had an interview with Reeve Brohm on Wednesday and he told us that he had been in contact with the Council members and that they were all in favour of the new Satellite Station.

We understand that in order to go ahead with this project, 10 acres of land will be required preferably on a mountain or hill. When this Satellite Station swings into operation it will give a clear viewing picture on everyone's TV screen in Haliburton County. Besides getting good television reception, this station will also give Haliburton County much needed advertising.

LETTERS to the EDITOR

Box 308,
Haliburton, Ontario
August 13, 1964.

Dear Sir:

I am writing in reply to a letter written by Rev. John Smith contained in the Echo two weeks ago concerning a liquor vote in the near future.

I object to the letter for the following two reasons. In the first place, I can see no meaningful correlation between such a vote and the central theme of the letter, that of "our hundred year heritage", except perhaps a favourable one, namely that in the last hundred years Canadians have become accustomed to deciding such issues by voting (as free and independent persons).

In the second place, I object to the implicit assumption that liquor and immorality are one and the same thing. No Old Testament references, moreover,

will convince me of this. Cocktail lounges are a facet of twentieth century society, and the problems associated with these warrant twentieth century solutions.

My purpose in writing this is not to defend any issues concerned with the pending election. It is to request that if Rev. Smith is to make a public statement on this vote that he examine the real moral issues at stake, and leave "our national heritage" for First of July Speeches, and sixth grade History books.

Moreover, if Rev. Smith has any real conscientious objections (as well he may have), I suggest that he write, and be prepared to be criticized as an individual quite apart from the umbrella of the Ministerial Association.

In all due respect,
CHARLES PLOURDE.

"Good Neighbor Sam" Plays To Record Crowds At Molou

The movie picture "Good Neighbor Sam" drew record crowds to the Molou Theatre at Haliburton on Sunday, Monday, Tuesday and Wednesday of this week.

This picture which stars Jack Lemmon is one of the funniest and best pictures of the year. If you happened to miss it at Haliburton you will have the

opportunity of seeing it at the Beaver Theatre in Minden this Thursday, Friday, Saturday, and it is being held over to Sunday, August 23rd.

If you are looking for a night out, we strongly recommend that you go and see "Good Neighbor Sam". It's the biggest 75c value in town to-day.

That Municipal Stamp

We have been taken to task for our reporting of Council minutes of last week's meeting of Dysart Council. First, regarding our statement that the municipality were evidently having trouble in keeping track of their tools. This apparently created the impression that some of the employees were helping themselves to equipment owned by the municipality. In this case, this is not true. We might state that when the municipal garage was purchased, certain tools therein were not included, and did not become the property of the municipality. However, the township from time to time finds it necessary to purchase certain tools and these are the property of the municipality and the acquisition of a stamping device will eliminate any misunderstanding as to ownership.

In regard to our statement that despite of having their own garage, council still had to depend on other garages to service their trucks. Mr. Sid Roberts informs us that this only happened in one instance, and that was due to the ambulance and fire truck being serviced in the municipal garage at the same time which necessitated a municipal truck being sent to another garage for a minor repair job.

Clifford Whittaker Passes On

Haliburton has lost another fine citizen in the person of Clifford S. Whittaker who passed away in the early evening of Tuesday. The deceased had been suffering for some time from a malady from which at present, there is no cure and while his passing was no surprise to his immediate friends, it is deeply regretted. The late Mr. Whittaker was a veteran and a valued member of Branch 129 of the Canadian Legion. The deceased was also interested in the work of St. George's Church and as long as his health would permit he served as secretary-treasurer of the Brotherhood of Anglican Churchmen of the Parish of Haliburton. The late Mr. Whittaker was a member of North Entrance Lodge A.F. & A.M.

The funeral service is being held to-day from St. George's Church, Haliburton at 2:30 p.m.

News Notes From The County

It is expected that by the end of 1964 well over 21 million trees will have been planted on private land in Durham and Northumberland Counties. These trees represent an area in excess of 24,000 acres that has been planted in the past 60 years. This year alone 500,000 to 600,000 trees, or approximately 600 acres, will be planted.

Records show that the first private land planting was carried out by F. Squair of Darlington Township in 1905. This plantation today is considered a show piece by the foresters in the locality.

The seedlings for distribution are being produced at the Orono Nursery. The nursery's present production rate is between 7 and 8 million tree seedlings per year. 500,000 to 800,000 of these trees will go annually to private land owners.

The greatest demand is for scotch pine for Christmas tree production. Presently scotch pine makes up 53% of the total trees shipped to private individuals. Other important species are red and white pine, white spruce and carolina poplar.

Plantations and woodlots are improving from day to day and with the Department's new emphasis on extension they will become of more importance. If there is any question on plantations or woodlots be sure to contact your local forester or the Lindsay Office of the Department of Lands and Forests.

The Kinsmen Club of Minden have announced that they will

be holding a Bingo every Thursday night at 8:30 p.m. in the Minden Arena. You can have 19 games for \$1.00 plus the Jackpot and Find-A-Fortune. Don't miss these Bingos at the Minden Arena.

The Lindsay Business College have announced that their Fall term will open on Tuesday, September 8th, 1964.

Decoration Day Services were held at Gelert and Haliburton on Sunday last.

The Annual Bake Sale and Draw Bazaar was held at the Minden Arena on Saturday last. The sale sponsored by the Haliburton District Association for Retarded Children was a great success.

The Boys and Girls Daily Vacation Bible School which started on Monday continues until this Friday, August 21st. The school is being held at the West Guilford Gospel Chapel and is sponsored by St. Andrew's Anglican Church and the West Guilford Gospel Chapel.

The Haliburton Curling Club have announced their Bonspiels for 1964-65. Cards and entry forms are being placed throughout the County and other outside points.

A Salad and Ham Supper was

held at the Maple Lake United Church on Saturday.

Decoration Day Service will be held on Sunday, August 23rd at 2:30 p.m. at the Ingoldsby Cemetery.

Four fires were burning in the Lindsay District last week. They were in Harcourt, Digby, Anstruther and Cavendish. They are all under control.

Maurice 'Rocket' Richard opened the Peterborough Exhibition last week. While playing golf in Peterborough he just missed a hole in one by six inches.

Ed May, former Secretary Manager of the Lindsay Chamber of Commerce was killed in a car crash last week. He was well known in Haliburton County.

A forest fire in Harcourt was brought under control last Thursday. Another one was burning in Digby.

The Brotherhood of Anglican Churchmen held their monthly Corporate Communion and Breakfast at St. Andrew's Anglican Church at West Guilford on Sunday.

Lindsay staged a "Little World's Fair" at the Lindsay Central Exhibition grounds last Wednesday night. As a prelude to the affair, children attending the summer playgrounds paraded along Kent St. advertising it. The children were dressed in colourful costumes and carried large posters.

George Wardrope, Minister of Mines, last week opened the four-day Jem-Boree at Bancroft. It was sponsored by the Bancroft Chamber of Commerce. The CBC radio taped a half hour of the proceedings.

The tract of land on the north side of the village where the event was held took on a Carnival appearance. Three huge tents were erected to house the display of more than 70 exhibitors. The Lions Club sponsored

the midway and the Kinsmen Club had a soap box derby.

LINDSAY (ENS) — Stewart Flavell won the Lindsay power squadron "predicted log race" held Sunday on Balsam Lake.

Five competitors were required to predict the time it would take them to navigate a 15-mile course around the lake. The winner is the one who predicts his time closest.

Mr. Flavell will receive the William Elliott trophy at the squadron's annual fall banquet.

Rough weather which hampered the competitors also forced postponement of the scheduled seamanship contest to be held on Sturgeon Lake.

Mr. Flavell completed the course two minutes and 15 seconds outside his predicted time. James Brown, runner-up, was two minutes 16 seconds away from his predicted time and Thomas Upton, three minutes and two seconds.

James Thompson and John Sobko entertained 35 squadron members at lunch at Rosedale.

William Armstrong, 89, of Fenelon Falls, received head injuries in a two car collision last week. Armstrong was a passenger in a car driven by John Arnold Hickson, R.R. 1, Janetville. The car collided head-on with another car driven by Thomas Ashbury, 32 Hardwick Court, Etobicoke.

A decision to establish an area jail to serve Peterborough and Victoria, Haliburton, Northumberland and Durham Counties will probably be made at the November County Council session. Reeve of Lindsay, R. I. Moore, told the Lindsay town council that the possible location for the jail will be between

Fowler's Corners and Millbrook. "I hope we will have an area jail before too long", Reeve Moore said.

One woman was killed and four other persons were hurt recently in a four-car smashup about two miles north of Rosedale on Highway 35. Dead is Mrs. Peggy Holdsworth, 45, of Unionville, who is reported to have been pinned in the wreckage of her husband's car. Injured are Herbert Holdsworth of Unionville, Gary Keetch of Pefferlaw, Gertrude Keetch of Pefferlaw and Maude Kay of Norland.

Some citizens from Haliburton County attended the Kinsmen Carnival held in Lindsay last Thursday and Friday night.

In last week's issue on a write-up re the Haliburton Rotary Carnival we forgot to mention that the Hydro supplied the extra street lights and a lot of work was done by Al Blanchard and his employees of Haliburton.

LINDSAY (ENS) — E. A. Robertson of Whitby has been named centennial field representative for Victoria, Durham, Hastings, Haliburton, Peterborough, Prince Edward, Northumberland, Lennox and Addington Counties.

The field worker will provide a liaison between the provincial government and municipalities in connection with centennial projects. He will also be available for counselling the municipalities on types of projects which will qualify for the grants.

SMALL WONDER

Two things you ought to know about Evinrude's new bantam size Sportwin:

1 It snuggles down behind your transom. It's hardly more than transom high. Only 34" from top to skeg. Tucks neatly into compact car trunks.

2 But don't let its bantam size fool you. It packs a real punch—9½ hp. And sounds even smaller than it looks. Come in. See it, hear it, and heft it now.

THE LAST SURRENDER

I was badgered into attending a wedding this summer. They are events I normally avoid as carefully as I would a leper colony.

But this was a special one. My old partner, after fighting the good fight for forty years, had finally been snared. I looked upon it more as a historic event than a mere exchange of nuptial vows.

For years, my wife and every other married female he came in contact with had bullied him, pleaded with him, urged him, pushed eligible young women in front of him, in that great and noble feminine vocation known as Don't let a Single One Get Away.

During the process, I and the husbands of these other harpies maintained a discreet silence, our sympathy indicated only by the rolling of eyeballs heavenwards. Secretly and unanimously, we cheered him on to greater heights of courage, stubbornness or insanity, depending on your point of view.

Anyway, he finally took the plunge, or got out of his depth or something, after four decades of incredible fortitude. But trust him. He didn't just get hitched and start raising a family and going through all the horrors that involves.

Nope. He married a charming widow, and when the last vow had been taken, he became an instant husband, father and grandfather. The rest of us go through twenty-five years of unmitigated hell to achieve that serene height.

Well, as I started out to say, weddings, to me and to most men, are just a big pain in the arm. I'd rather go to a good funeral, any day.

But women are different, they take to weddings like cats take to kipper. There is something almost morbid about their fascination with that production which most men consider a min-

or tragi-comedy.

You should have seen the nonsense we went through getting ready for this one. I figured we'd get dressed up, shine our shoes, buy the happy couple a crock of scotch or a carving knife, and that's all there was to it.

Well, that's all I did to prepare for it. But my old woman started operating at least a month before the ceremony. Though I kept reminding her that she wasn't the bride, she was in and out of practically every dress shop in the province, before she got the right dress and hat.

Then there was a big thing about her gloves. They were just a shade off the off-something-shade of the rest of the rig. Tears. Dye. Dye remover. More dye. Thank goodness I went in my bare hands.

And then there was the gift. I could have bought something useful and suitable, like an ironing board, in about twenty minutes. But she dragged me in and out of stores until I felt more like dropping than shopping. And the prices—Oy!

However, we made it, and I finally realized why women like weddings so much. First of all, it gives them a chance for a good cry without some callous kid saying, "Hey, Dad, what's Mom bawling about NOW".

Second, it affords them the opportunity of wearing some crazy hat they haven't enough nerve to wear to church normally. And which item will be carefully stored away in a hatbox until it is thrown away by their granddaughter some day.

And finally, there is that delicious aftermath, when it's all over, when they don't have to worry about makeup any more, when the shoes come off and the hair comes down, and they can get at the real business of the wedding — tearing to tatters the costumes, manners and reputations of all the other women at the wedding.

HALIBURTON NEWS LETTER . . .

From latest reports we find that the Haliburton village Centennial Book is proving to be a good seller. Hundreds of these books have been sold, but there is still 2500 still available at Best's Clothing, Black's Hardware, Brohm's Variety, Curry Motors Ltd., Haliburton County Echo, Kennis Shopping Centre at Kennis Lake, Rae's Hardware, Russ Dart's Store at Haliburton Lake, and Varty's Jewellery and Gifts.

The Haliburton Rotary Club are considering the possibility of erecting a cement block building with the front part to be used as a museum and the back part to be used to store the Rotary Club's Carnival and

Auction equipment.

Donations for the new proposed Arena and Community Centre are coming in, but more money is still needed. Please send in your donations to A. J. LaRue at Haliburton.

The Evergreen Cemetery Board and its caretaker, Bill Borden, are to be congratulated for their efforts in keeping the

cemetery in such fine condition.

Once again this year, Skyline Park is proving to be a very popular spot for our summer guests.

Pete McGillen, the outdoors editor for the Telegram, who was in Haliburton last week told us that in his opinion we have enough parks now here in Ontario.

Kavaliers Spark Views By Carrying 'Leaf' Flag

LINDSAY (ENS) — Kawartha Kavaliers Drum and Bugle Corps sparked a "suppressed" controversy Saturday by flying the proposed new Canadian flag in a parade at Napanee.

J. M. Longworth, band publicity director, said the flying of the flag stirred considerable discussion along the parade route. He said one onlooker said: "That's the first band I've seen carrying the new flag. The Kavaliers should be complimented for their originality."

Another citizen remarked: "I'm not in favor of the maple leaf design, but that doesn't lessen my admiration for the Kavaliers."

Mr. Longworth said a third statement suggested that the

whole band be jailed for treason.

"I cannot recall when the band had such a list of engagements over such a short period of time," said Mr. Longworth. Recently the band headed the Haliburton Rotary Parade; Thursday they will head the Lindsay Kinsmen Carnival parade in Lindsay, and on August 23 they are scheduled to appear in the Hamburg, N.Y. parade, marking the opening of the Erie County Fair.

The Kavaliers will also perform before the grandstand audience at the Lindsay Central Exhibition on September 23. They have also received tentative offers to perform at the Canadian Central Exhibition and at the Peterborough Exhibition. (Peterborough Examiner)

IN MEMORIAM

BURK — In loving memory of a dear Father, Robert Burk, who passed away August 31, 1963.

Days of sadness come o'er us,
Friends may think the wound is healed;
But little they know the sorrow
That lies within the heart concealed.
—Sadly missed by Dave, Audrey and Grandchildren.

McKELVEY — In loving memory of a dear husband and father, Harold McKelvey, who passed away one year ago, August 23rd, 1963.

The world may change from year to year,
And friends from day to day;
But never will the one we loved
From memory pass away.
The silent grief that's in the soul,
No human life can trace;
For many an aching heart is hid
Behind a smiling face.
We watched him suffer day by day,
It caused us bitter grief;
To see him slowly pine away,
And could not give relief.
The heavenly gates were opened wide,
A loving voice said "Come";
And with farewell unspoken,
He peacefully entered home.
—Sadly missed by wife Mary and family.

CHURCH NEWS

B.A.C. COMMUNION AND BREAKFAST

The following are the minutes of the Brotherhood of Anglican Churchmen's Communion and Breakfast held at St. Andrew's in West Guilford on Sunday, August 16th, 1964. Twenty-four members were present including two guests, Jack Mitchell of Toronto, and Bernard Sisson of Orillia.

Earl Cooper reminded the members of the upcoming Layman's Conference which will be held at the Guild of All Arts on the week-end of September 19th.

President Harley Fader told the members that it had been suggested that we, as a group, take on some project to work for in the next few months. The members were asked to think about it and bring their

suggestions to the next meeting.

The guest speaker was Rev. John Taylor of Tisdale, Saskatchewan, a former Anglican Church rector here. Rev. Taylor gave a very interesting talk in which he outlined his work at his new parish in Saskatchewan. He told of how he had over 80 miles to travel each Sunday to church services in his parish, and that he had about the same amount of families on the church roll as he had here. Rev. Taylor told of his work with the Chinese families in the community and how the church was working with them to show that God really cared for them. Rev. Taylor said that they expected to build a new church in Tisdale by 1967.

The speaker was introduced by Cliff Dawson and thanked by John Johnson.

The meeting closed with prayer.

HYMN SING JUDGED A SUCCESS

On Sunday evening last, the Full Gospel Lighthouse was almost full as people gathered from all over the county for the Community Hymn Sing. These Old Fashioned Song Fests

have become almost a regular feature at the Lighthouse and certainly have received a warm response.

At this one, the congregation was invited, as usual, to call out their favourite numbers. These songs were interspersed by special numbers. A male quartet composed of Dan Davison, Bill Gliddon, Harold Cummings and Pastor Noel McNeill rendered two old favourites during the evening. Mr. Cummings also sang a solo as did Mrs. Blanche Wright of Minden. Mrs. Nels Davison and Dan Davison gave a lovely (and lively) offertory number.

Following the music session, Pastor McNeill spoke plainly on an old text "Ye Must Be Born Again", explaining the meaning of this age-old experience to modern man.

Letters to the Editor

OTTAWA, August 10, 1964.
The Editor,
Haliburton County Echo,
Haliburton, Ont.
Dear Sir:

As I have had a number of requests for information concerning the new Canada Student Loans Act, the enclosed statement might be of interest to your readers.

Yours sincerely,
CHARLES LAMB, M.P.

Canadian Students hoping to take advantage of the new Canada Student Loans Act can expect to know by the end of August the detailed arrangements under which they can apply for loans.

In the interim, officials of the federal and provincial governments will be pressing forward in a co-operative effort to have the student loan machinery ready to process applications well before the opening of fall terms in universities and other postsecondary school institutions.

Under the legislation, which received Royal Assent on July 28, provincial governments taking part in the plan, will designate provincial authorities that will handle the student applications. The participating provinces will decide whether students will apply to the existing student loan authorities in the provinces, or perhaps to their various educational institutions.

It is hoped that these decisions and other detailed arrangements covering loan applications will be made by the provinces by the end of August. Under the Act, the provinces will designate the universities and other institutions whose students may qualify for loans.

The Canadian Student Loans Act provides government guarantees for bank loans up to \$1,000 a year for full-time students in approved institutions above the secondary school level, who have shown their need for funds and who have attained satisfactory scholastic standards. The federal government will carry the interest cost of a loan while the student remains in full-time courses, and for six months afterwards.

The Government of Quebec has already indicated that it will continue to rely on its own well established student loan program and will not adopt the new federal plan.

Area Cone Plantation Near Harvest Period

LINDSAY (ENS) — Cones from plantations that were grown from seed 30 years ago will be harvested this year during the annual cone collection operated by the Department of Lands and Forests.

E. F. (Pud) Johnston, timber supervisor, has described possibilities for this year's crop as heavy for all species with the exception of red pine.

The department contracts with about 50 private individuals or collection of 500 bushels of cones. Majority of the cones are collected in the Minden, Haliburton, Gooderham, Apsley, Victoria and Northumberland-Durham County forests.

COSTS \$3,000

Mr. Johnston said cost of the collection would be about \$3,000.

This seed collection is the basis for our entire reforestation program."

Cones should be ready for collection between the 25th and 30th of August, depending on weather conditions. White pine will be ready for harvesting early in September, with red spruce ready for collection about the middle of next month. Red pine should be ready for collection by October 5, Mr. Johnston said.

The timber supervisor said red pine cones are desperately needed, "but I know we won't get them because of the light crop."

After collection the majority of the cones are stored at the Victoria County forest near Burnt River. They are then transferred to Angus, near Banty, where they are kept in cold storage until required at the Orono Nursery. About 45,000,000 seedlings are produced annually from the cones at the nursery.

At the Angus Seed Extraction Plant the 30 to 40 seeds each cone contains, are carefully sorted and placed in storage.

Mr. Johnston warned that the department will not purchase cones unless a contract has first been awarded.

Rotary News

The Haliburton Rotary Club held its weekly luncheon at the United Church on Thursday last. Seven members were absent with 24 guests.

All those non-Rotary members who helped on the Rotary Carnival were present at this meeting as guests of the Club. President Joe Iles welcomed them to the meeting and told the workers how much the Rotary Club had appreciated their help in the two day event.

Mervyn Robertson, chairman of the Crippled Children's Committee, spoke and told the members that Merrywood Camp, which is a camp for crippled children were building a recreation hall at a cost of \$41,000. The local Rotary Club voted a donation of \$350.00.

Rotarian Dick Clarke, who is chairman of the Birthday Committee, announced three birthdays this week, W. R. Curry, Ray Archer and Harold Procter. Dick presented W. R. and Ray with two birthday cakes, and is holding back Harold Procter's present until this week's meeting.

Gerry Dawson gave a full financial report on the Carnival and personally thanked all the members for working so hard toward making the Carnival a success.

Ron Curry handed the Club \$650.00 which were the receipts from the sale so far of the Centennial booklet. Bill Craig, a guest at Wig-A-Mog Inn presented \$38.00 to the Club funds of which had been collected from guests who really enjoyed the Rotary parade.

Bill Emmerson acted as the judge at this meeting and all members who received summonses for not wearing their Rotary hats during Carnival time were brought up in Court. Many paid their fine before the meeting. Don Finn, B.A., LL.B., defended Keith Carnochan and Verne Graham, while David Bishop of Haliburton, who is going through for a lawyer defended W. R. Curry.

Minden And Haliburton Meet In League Finals

The play-offs are well underway in the Haliburton County Softball League. Haliburton defeated West Guilford in a best three out of five series and Minden defeated Snowdon.

This promises to be a real good series, so don't miss one of these thrilling games.

Haliburton took the first game from Guilford by the score of 4-2. The second and third games were tied 1 to 1 and 7 to 7. Haliburton won the fourth game 5 to 2 to give them 6 points and the series. Len Salvatori and Gary McKnight shared the pitching duties for the winners.

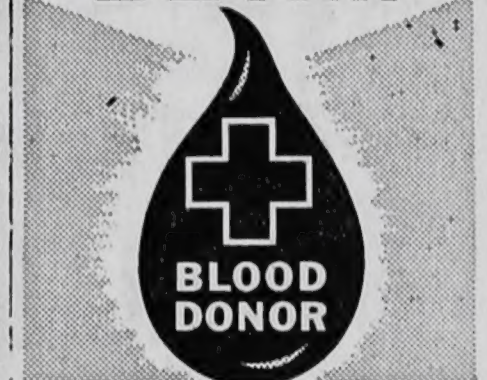

The Minden Merchants didn't run into too much trouble in disposing of Snowdon in the other best three out of five series.

Minden and Haliburton are now hooked up in a best four out of seven series for the Haliburton County Softball League Championship. The first game was played in Minden on Tuesday night with the second game in the series going to-night (Thursday) at the Haliburton Ball Park.

GOODERHAM

The twelfth annual Hadley reunion was held at the Gooderham Recreation Park on Monday afternoon, August 3, 1964 (Civic Holiday). Forty six names appeared on the register.

A very pleasant afternoon was spent under the shady trees renewing acquaintances and talking of former times. The young people enjoyed a game of catch and the little tots did much playing and running around.

The president, Mr. Albert Hadley, gave a short address of welcome.

The minutes and financial report were read by Mrs. Edna Hadley of Barrie. The committee appointed to arrange for the 1965 picnic are Mr. and Mrs. Albert Hadley of Barrie, Mrs. Allan Hadley of Cambray, and Mr. Roy Hadley of Oshawa.

Mrs. Alice Hadley who had been ill during the year was present. She and Mr. Roy Hadley have not missed any of the reunions. Two little newcomers were Lawrence McGaughey, son of Mr. and Mrs. Larry McGaughey of Barrie, and John, son of Mr. and Mrs. Ron Kirkpatrick of Haliburton, who was the youngest child present. The largest family was Mr. and Mrs. Albert Hadley, Joseph, Albert, Barry, Kenneth and Carol of Barrie.

Tables were set and Mr. Roy Hadley asked a blessing and all partook of a hearty meal. Balloons were given to all the children and the park was gay with colour.

It is to be hoped that circumstances will permit many to be present at the next gathering.

The annual Sunday School picnic of the Pentecostal Church was held at the beautiful park at Furnace Falls on Saturday afternoon.

Despite the changeable weather the sports were carried on. A bubble gum scramble got the children into action and races

were held for all ages, with prizes given. Mrs. Campbell Sr. threw a ball the farthest. Mrs. Aldridge Hunter won in the shoe-throwing contest. Larry Hunter and Miss Carey won a prize for needle-threading. A ball game was played.

Tables were set, with quite a number being present. Mr. Campbell asked a blessing.

Mrs. Campbell played an accordion and Mrs. Campbell Sr. played a guitar. Mrs. Steed led a sing song of choruses and hymns.

Before leaving, Mr. Campbell prayed. All present had an enjoyable time.

Mr. Earl Johnston and Larry Hunter, with the assistance of the pastor, were in charge of the sports.

Mr. and Mrs. Ernest Mintz and Anne Marie of Orillia were present. Mr. Mintz was a former pastor here.

Relatives and friends attended the funeral of Mr. Homer Wright from the Welch Funeral Home at Minden to Gooderham Cemetery. Mr. Wright who lived at Irondale, was well known in this vicinity. Sympathy is

extended to the bereaved family.

On Sunday, Mr. Wilson of the Salvation Army of Ottawa, was in charge of the Pentecostal Services. He gave two inspiring messages. Special music was heard.

In memory of the late Mr. Ronald Hunter, who passed away one year ago, Mr. and Mrs. Campbell sang "Just a Closer Walk with Thee". A solo was also sung by Mr. Campbell, the pastor. Mrs. Steed favoured with a solo at the evening service. Mrs. Campbell accompanied the hymns on the guitar. Mrs. Wilson (formerly Betty Simmons of Irondale) accompanied her husband.

Beautiful flowers and plants were placed at the Altar by the Hunter Family in memory of Ron.

The U.C.W. held a successful Bazaar and Bake Sale on Wednesday afternoon. The baking which was especially good and plentiful disappeared in a short time. Many articles were sold. The ladies appreciate the co-operation of those who made the event a success.

Jehovahs Witnesses

(Continued from Page One)
home with high praise for the instruction received at the four-day Bible meeting. All sessions were held at the Trenton Community Gardens.

William Borden, presiding minister of the Haliburton congregation, reports that the assembly attracted delegates from 31 congregations in Eastern Ontario, as well as visitors from points as far as New York City and Cleveland, Ohio. Peak attendance reached 2,315 when Eugene D. Rosam Jr., supervisor of all ministers of Jehovah's Witnesses in Canada, delivered a special public talk entitled "Peace Among Men of Good Will" Or Armageddon—Which?

According to Mr. Borden the speaker pointed out that Armageddon is not a fight between opposing political factions, a non-selective "thermonuclear" third world war, but a destruction by God of those who are not in His good will. "God's peace on his terms," Mr. Rosam stressed, "is extended to all men of good will."

"We do not want Jehovah God to look on us as His foes at Armageddon and therefore to be at war with us there," said Mr. Rosam. "Our desire is for God to be at peace with us at that critical time. His being peaceable towards us at that time means our survival, our salvation." Mr. Rosam concluded by stressing the necessity for Jehovah's Witnesses and all men of good will to continue preaching "this good news of the Kingdom."

Printed copies of Mr. Rosam's talk were presented to the audience for their further consideration and distribution.

"All sessions of the four-day convention emphasized the theme 'Fruitage of the Spirit,' Mr. Borden said. "These fruitages listed in the fifth chapter of Galatians as love, joy, peace, long-suffering, kindness, goodness, faith, mildness and self-control came in for special attention on the program. Each day several of these qualities were analyzed. Scenes depicting the daily Christian and secular activity of Jehovah's Witnesses demonstrated the practical application of these qualities," Mr. Borden explained.

Mr. Maxwell said two men walked into his store and asked to see his fishing equipment. They looked around for 20 minutes and then pointed a 22-calibre rifle, apparently taken from a shelf in the store, at him. He did not know whether the weapon was loaded.

"I wasn't going to open the till," he said, "but they kept pointing the gun at me."

The two men fled after the scuffle and escaped in an old-model European car.
